midents of Southampton say a cane of the proposed advances in ableness of the proposed advances in Western territory. The case was submitted to the com-mission. Its importance is the basis for the belief that it will be decided

SALESMEN GET WATCHES Rice Leaders Make Awards at Dinner.

A dinner was given at the Waldorf-A dinner was given at the WaldorfAstoria Hotel last night by the Rice
Leaders of the World Association in
honor of prize winning salesmen of
firms who are members of the association. One hundred and eighty gold
watches, valued at \$30,000, were prize
sented to the men making th highest
records for the last year. About 1,000
attended the dinner.

Joh Hedres was toastmaster.
Lewood E. Rice, head of the organization, said that its aims were to raise
business sandards and ideals in accordance with the motto inserbed of
the mility.

At the speakers' table were Frank D.
Waterman, William H.
George W. Dickerman, Gustav Erbe,

22d Engineer Corps to Get Field Practice in Virginia Camp.

Arrangements for a practical course fractured skull on the awy to Holy field instruction for the 22d Corps Family Hospital. Harry Dale, a fire-Engineers have been completed, man of Hook and Ladder No. 110, whose and will camp at Belvoir, Va., near t. Vernon, with two companies of ngineers from the United States who is thought to have been beaten by

The Pioneer Battalion, under Major ederick N. Whitley, consisting of impanies A, B, C and D, and ac-mpanied by Lieutenant Colonel E. W. Van C. Lucas, chief engineer of the corps, will meet in the armory with full field equipment at 8:30 o'clock on Monday night, July 5, and leave by the Pennsylvania Railroad at Jersey (City at 11 p. m.

seven years old, who, while attempting esterday afternoon to save a little of sore feet. The battalion will rebov companion from sliding down the bannister, fell six stories to her proba-

site the stand. In a second a mounted man on duty drove his horse against them, forced them into the rail and in and swung them around from second swung them around from the anger zone, amid the cheers of the anger zone, amid the cheers of the rowd, led by Commissioner Woods. Another runaway "stunt" that leased was the stopping of a team of corses attached to a carriage. A paby" was thrown from the carriage of the swaying after the driver fell com the rig. Two mounted men cosed in and stopped the horses, while without stopping, nicked the a third, without stopping, picked the supposed baby up and restored it to

the mother.
Commissioner Woods shared the in Commissioner Woods shared the interest of the people in the next move. A temporary house, without a front, had been erected. A burglar in the person of Patrolman Riley, of the Parkville station, forced a window. He is discovered by the woman who owns the house, played by Mrs. Dessy Ryan. He chokes the woman, and is about to go out the window, when a patrolman turns loose a police dog. In the window went the dog, and a minute later, when the officer entered the room, the burglar was on the floor, pleading for the patrolman to take the dog off. The dogs also showed the scenting method of catching an escaped burglar and of catching an escaped burglar and also how a prisoner is guarded by the dog while his master chases another

menic drill and wall climbing stunts out the most inspiring event of the day

but the most inspiring event of the day
was the sham battle.

Using the large field, a regiment of
men, all ex-soldiers or sailors, under
the command of Captain Duryea, of the
regular army, attacked a fortified section of the field, protected by field artillery, commanded by Inspector Duyer, who is a retired naval officer.

Captain Duryea's men slowly advanced, taking advantage of the shrubbery and trees, and despite the deathdealing fire of the field pieces, finally
made a dash and captured the Dwyer
forces.

made a dash and captured the Daylot forces.

Cheer after cheer went up as the wounded, bandaged, were carried or as-sisted past the grandstand.

Then the veteran batalion, carrying their colors, conducted memorial ser-vices for their dead comrades as a closing feature of the exhibition.

mile he would encounter the charred remains of a human being."

The Fire Prevention Bureau, it says, has the unpleasant privilege of examining all the deadly bombs found in New York. Last year 141 Black Hand bombs were analyzed. All bombs found in the city by police or other persons are reported to the Fire Department, and an inspector from the Bureau of Combustibles is assigned to make a report upon all such objects.

Another important activity of the Fire Prevention Bureau is safeguarding the use of explosives throughout the city, as increased quantities of dynamite are being used in various construction works.

struction works.

Chief Hammitt shows that most of a gang.

Detectives were told that a man had gone into a shop in the neighborhood and was threatening the proprietor when friends of the shopkeeper ran in and draws his street of desolation.

"The buildings consumed, if placed in lots of sixty-five foot frontage, would line both sides of a street extending from New York to Chicago," the loss of life in tenement house fires occurs in old law tenements. There are 78,371 of these old law tenements in the city, representing above writes Mr. Adamson. "A person journey of the shopkeeper ran in neying along this street of desolation and draws his street of deso would pass in every thousand feet a lessness was the cause of the life-ruin from which a wounded person was lighted matches or cigarettes careless-taken. At every three-quarters of a among newspapers and the like.

HAGARA TO THE SEAS

Awe-Inspiring-Nature at Her Best

Particularly beautiful are Canada's rivers. The Niagara-to-the-Sea routs taken by the splendid steamers of the Canada Steamship Lines is mainly over rivers - first the islanddotted St. Lawrence, then the glorious Saguenay, with its Cliffs and the famous Capes "Trinity" and "Eternity." Neither words nor pictures can give any conception of their majestic beauty. You'll get some slight idea of them by reading "Niagara to the Sea." New edition of this book, beautifully illustrated, just off the press. Send it, with 6 cents in stamps to cover the cost of
